600 Highland Avenue
Madison, WI 53792
United States

Date: Feb 16, 2026

To Whom It May Concern,

This letter is to confirm that Mr. Saad Ali Khan, passport holder of Pakistan with passport number XH4105193, is scheduled to visit UW Health University Hospital, Madison, Wisconsin, USA, during the first week of March 2026 for a comprehensive physical and medical evaluation.

The purpose of Mr. Khan's visit is to undergo a complete physical checkup and advanced diagnostic assessments as recommended by our medical team. The planned tests and evaluations, together with their anticipated timeline, are outlined below:

Planned Medical Tests and Evaluations (with Schedule):

- **Week 1 (March 1–7, 2026):**
  - Initial physician consultations and comprehensive physical examination
  - Baseline laboratory investigations
  - Comprehensive molecular diagnostic blood panels
  - Genetic and metabolic profiling with clinical interpretation
  - Preliminary diagnostic imaging
- **Week 2 (March 8–14, 2026):**
  - Preventive whole-body MRI screening using standardized clinical protocols
  - Advanced cardiac evaluation, including cardiac MRI with pharmacologic stress perfusion
  - Specialized neurological imaging studies
  - Advanced vascular imaging assessments
- **Week 3 (March 15–21, 2026):**
  - Review and integration of all diagnostic findings
  - Follow-up specialist consultations as clinically indicated
  - Formulation of a comprehensive medical assessment and treatment or monitoring recommendations, if required

The anticipated duration of his stay will be determined based on clinical findings and required evaluations.

Accommodation will be arranged by UW Health University Hospital for the duration of his medical visit. All accommodation and associated charges will be borne by Mr. Saad Ali Khan and will be settled by him at the time of checkout.

Mr. Khan will be responsible for all medical expenses, accommodation costs, and any other personal expenses incurred during his stay in the United States.
